**Limited Review Report on Unaudited Standalone Financial Results of Ledo Tea Company Limited for the quarter and half year ended 30th September, 2020 pursuant to Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended.**

To  
The Board of Directors of  
**Ledo Tea Company Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Ledo Tea Company Limited (the 'Company') for the quarter and half year ended 30th September, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulation").
2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India, is the responsibility of the Company's management and has been approved by the Board of Directors of the Company November 11, 2020. Our responsibility is to issue a conclusion on the financial results based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India, specified under Section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. We draw attention to the following matters:
  - a) The company has not made provision for part of gratuity liability as per actuarial valuation as per Ind AS 19 - Employee Benefits.
  - b) Note 6 of the financial results, indicates the fact that the net-worth of the Company is fully eroded. This condition indicate the existence of a material uncertainty that may cast significant doubt the Company's ability to continue as a going concern. However the financial results of the Company have been prepared on a going concern basis for the reason stated in said note. The appropriateness of the said basis is dependent on the Company's ability to infuse requisite funds for meeting its obligations, repayment of advances and short term borrowings along with interest and restoring its operational profitability.

Our Opinion is not modified in respect of above matters.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended read with relevant rules issued there under and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material mismanagement.
